### **EXAMINER'S AMENDMENT**

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Charles Ware on 12/6/07.

The application has been amended as follows: In the title, --Method of making an—has been added before "edge" and "and method for making" has been deleted.

In the claims:

The claims have been amended as on the attached pages.

### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance: the prior art of record does not teach or fairly suggest cutting a portion of the absorbent article to form a cut disposed laterally inboard to and substantially parallel to the longitudinal edge and stretching a portion of the article which is also laterally inboard to and offset from the longitudinal edge. This is considered not to include the step of cutting effectively forming a new longitudinal edge on the opposite side of the article from the first longitudinal edge.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
